**Paper Measurements:** Pool Party cardstock (5-1/2" x 8-1/2", 4" x 4", scrap), Whisper White cardstock (5-1/4" x 4", 4" x 4", 1-1/2" x 1-1/2", 1-1/4" x 1/2"), Blushing Bride cardstock (4" x 4", scrap)

1. Score the 5-1/2" x 8-1/2" Pool Party cardstock at 4-1/4" to form the card base. Crease using a bone folder.
2. Using the Lace Dynamic Textured Impressions Embossing Folder, emboss the 5-1/4" x 4" piece of Whisper White cardstock. Adhere this layer to the card base with dimensionals.
3. Using the largest Be Mine framelit, create two hearts: one from 4" x 4" Pool Party cardstock and one from 4" x 4" Blushing Bride cardstock. Adhere the Pool Party scallop outline to the card base using multipurpose adhesive. Emboss the smooth Blushing Bride heart using the Lace embossing folder. Adhere inside the Pool Party scallop using Tear & Tape adhesive.
4. Stamp these images in the following ink colors: Bike Frame and Bracket – Crumb Cake; Tires (stamp 2) – Soft Suede; Inside Tires, Pedals, Handlebars, Seat – Blushing Bride; Basket Weave – Basic Gray Archival; Basket – Sahara Sand.
5. Die cut the images in Step 4 using the appropriate Build a Bike Framelits. Die cut the streamers from a scrap of Pool Party cardstock.
6. Use the smallest scalloped Be Mine framelit to create a Whisper White heart.
7. Punch out three tiny Blushing Bride hearts using the Cookie Cutter Builder Punch.
8. Assemble the bike on top of the Blushing Bride heart as follows: Use multipurpose adhesive to adhere the frame to the tires and to the heart. Adhere the bracket to the rear of the bike. "Pop" the basket on top of the bracket using Stampin' Dimensionals. Using a dimensional, adhere the small white scalloped heart to the card so it looks like it is in the basket. Adhere one tiny Blushing Bride heart onto the scalloped white heart in the basket, and adhere one tiny Blushing Bride heart to each the wheels, as shown.
