Adhere on top of the embossed piece and trim to fit. Add to the card front 3/4" from the bottom of the floral panel.

4. Die cut two So Saffron and two Old Olive leaves from Perennial Essence vellum. Die cut two smaller leafy stems, one from So Saffron and one from Old Olive. Use the Leaf Punch to punch two from Old Olive. Set aside to use in the next step.

5. Punch a 3/4" circle from Crumb Cake cardstock. Using this as your base, build a Washi Tape flower from Pressed Petals Specialty Washi Tape. Adhere to the card as shown. Use glue dots to add the die cuts from Step 4 under the edge of the Washi Flower.

6. Create the center of the flower from Crushed Curry Crinkled Seam Binding. Unravel a few strands from one end in order to grab a thread running vertically down the center of the ribbon. Pull on the long thread and shirr the ribbon along its length. Once it has been shirred, wind it up into a ball, and adhere to the center of the flower.

7. Ink the sentiment from Varied Vases with Merry Merlot ink. Stamp onto Very Vanilla cardstock. Punch out with the Classic Label punch. Adhere to the card with dimensionals.

8. Accent the die cut band with gold metallic pearls.

9. Enjoy!
