2. Die cut the two snowy hills from Whisper White cardstock using the Home Together dies. Die cut again from Silver Foil, and layer under the white hills to form a border, as shown. Carefully snip off the silver trees to use later. Emboss the hills using the Tasteful Textile 3D embossing folder. Adhere to the sky panel as shown. Adhere the little silver trees which were previously cut off over the white ones. Die cut a few more to add to the right side of the card. This can now be added to the card base.
3. Die cut the evergreen and bush, using dies from In the Woods. Adhere to the card base, using dimensionals behind the tree.
4. Ink the snowman using Tuxedo Black Memento ink. Using Blender Pens and inks, color as follows: scarf and hat - Gorgeous Grape; snowman shading - Smoky Slate; holly leaves - Shaded Spruce; carrot nose - Cajun Craze. Die cut out, and add to the card base with dimensionals. Accent the holly with a Holiday Rhinestone.
5. Ink the word sentiment in Misty Moonlight. Fussy cut out the word "Sparkle". Add extra shimmer, if desired, with a clear Gelly Roll pen. Add to the card base using dimensionals.
