Measure down 1/4", and repeat the process, with the next rectangle. The left half of the rectangle should measure 1/2" from the left side. Measure down 1/4", and attach the third rectangle using the same measurements as the top rectangle.

3. Mat the Very Vanilla panel to Soft Succulent cardstock and add to the card base, 1/2" from the side and 7/8" from the top.
4. Use the Cookin' dies to die cut a Soft Succulent cutting board, and Calypso Coral whisk and spatula. Adhere to the card base as shown.
5. Fussy cut a plant from the Bloom Where You Grow designer series paper. Adhere to the panel with a dimensional.
6. Stamp the bowl in Soft Succulent ink, and die cut out. Use dimensionals to adhere to the card as shown.
7. Ink the sentiment in Calypso Coral. Die cut out using the Tasteful Label die shown. Mat onto Soft Succulent cardstock, and add to the card using dimensionals.
8. Accent using Mint Macaron Genial Gems and Pale Papaya Loose Flower Flourishes. Add a Linen Thread bow to the utensils.
