2. Using the Layering Diorama dies, die cut the embossed panel and the Misty Moonlight panel. Use the photograph as a reference as to how to place the dies. Layer the Basic White panel on top of the Misty Moonlight panel, and adhere.
3. Position the diorama opening over the blue designer series paper. Mark where you want the water level and position of the sun to be. Ink any wave/water image with Misty Moonlight, and stamp onto the designer series paper. (I used a retired stamp from the Textured Essentials set.)
4. Use a blending brush to blend Calypso Coral ink on the blue paper where the sun will be setting.
5. Using dies or a punch, create a 1-1/2" sun from So Saffron cardstock. Blend Calypso Coral ink around the edge as seen in the picture. Cut a slit at the water line, and insert the sun to give the appearance of setting.
6. Adhere the diorama panels on top of the seascape, and then adhere all to the card base.
7. Create a small sand dune from the Gray Granite pattern paper. Add speckles using the Color & Contour stamp and Crumb Cake ink. Adhere to the lower left corner of the card base.
8. Ink the small sailboat image from Sailing Home with Basic Gray ink. Color with Calypso Coral and Basic Gray colored pencils. Die cut out, and adhere to the card with dimensionals.
9. Die cut two seaweeds from Be Dazzling paper. Adhere one full die cut to the left of the card. Cut the other one down to a smaller size, and adhere to the right lower corner of the card.
10. Ink the palm tree image using Evening Evergreen and Early Espresso Stampin' Write Markers. Die cut out, and adhere to the left side of the card base, on top of the seaweed.
11. Ink the sentiment in Misty Moonlight and stamp onto Basic White cardstock. Fussy cut out. Adhere to the card base as pictured, using dimensionals.
12. Accent the trees with Champagne rhinestones and a linen thread bow. Add clear rhinestones to the sky.
