in one end. Mat onto Soft Succulent cardstock. Adhere to the card base with dimensionals. (Note: I used the sentiment from Sweet As A Peach, because I liked the cursive font. However, the Blossoms in Bloom stamp set has a "Happy Birthday" sentiment which could be used instead. This set is part of the Blossoms in Bloom bundle which includes the Many Layered Blossoms dies.)

4. Snip leaves and a blossom from the Soft Succulent die cut. Use these to accent the sentiment. (Alternative: There are smaller blossom dies included in the set, and you can also use any leaf dies you may have.)

5. Add pastel pearls to the centers of the blossoms.
