dimensionals.

4. Punch or die cut a circle from silver foil. Add to the card base, as shown in the photo, using dimensionals.
5. Use the Starlit punch to punch out stars from black glitter paper. Also punch one tiny star from silver foil. Save any extra stars to use another day. Die cut a stitched snowflake from silver foil.
6. Layer the stars and the snowflake on top of the silver foil circle. I used the largest black glitter star, then added the silver snowflake, followed by the black glitter 4-point star. A tiny silver star was added last.
7. Accent each panel with a single clear rhinestone.
