- Whimsy & Wonder designer series paper (Snowflake Pattern: 2-1/2" x 5-1/2", 2-1/2" x 5-1/2", 5-1/2" x 5-1/2"; Presents pattern for fussy cutting out presents of your choice)
- Subtles 6" x 6" designer series paper (4-5/8" x 3-5/8", 2-1/2" x 3-5/8", 1-3/4" x 3-5/8")

Stamp Set/Dies:

- Christmas to Remember stamp set (sentiment)
- Seasonal Swirls dies
- Scalloped Contours dies
- Layering Circles dies
- Wintry 3D embossing folder

Instructions:

1. Score the 12" x 6" Blushing Bride cardstock at 3" and 6" to form the card base. Adhere the Snowflake designer paper to the darker Silver Foil cardstock and mat onto the card base. Do this for all three panels.
2. Score the 10" x 4" piece of Blushing Bride cardstock at 2" and 5" to form a smaller Z panel. Adhere Blushing Bride Plaid designer paper to the darker Silver Foil cardstock and mat onto each section.
3. Die cut the Scalloped Contour panel from the darker Silver Foil. Adhere to the first section of the smaller Z-fold panel.
4. Emboss the Basic White cardstock using the Wintry 3D embossing folder. Adhere to the Scalloped Contour panel. Add a Wonderful Snowflake to the upper left corner as shown in the picture.
5. Using the Seasonal Swirls dies, die cut a "leafy" wreath and a "star" wreath from Silver Foil. (I used the darker foil for the leafy wreath, and the brighter foil for the star wreath.) Adhere to the left side of the embossed panel, over part of the snowflake, as shown. Snip out packages from the designer paper and adhere inside the wreath. Add three rhinestones to the lower right corner.
6. Adhere a Wonderful Snowflake at the top of the middle panel. Ink the sentiment in Misty Moonlight and stamp onto Basic White cardstock. Die cut out with the 2-1/8" Layering Circle die. Die cut out a slightly smaller scalloped circle from Misty Moonlight. Adhere so that a small section peeks out from behind the sentiment. Embellish the sentiment with a single rhinestone. Add to the middle panel as shown.
7. Adhere a Wonderful Snowflake to the lower right corner of the smaller section. Embellish the upper right corner with three rhinestones.

8. Add adhesive to the back third of the "wreath" panel, and to the back of the last panel. For easy alignment onto the base, and to assure proper folding, fold the base up. Position the first panel of the smaller Z-fold so that its right side aligns with the right side of the card base, as seen in the first photo. Then make sure the smaller panel adheres. It will be approximately 1" from the right side of the base.
