card base.

3. Emboss the piece 4" x 2-5/8" Basic White cardstock with the Star Crossed embossing folder. Adhere to the white scalloped panel, debossed side up, placing the small section of stars in the lower right corner. They will not show once the poinsettia is in place.
4. Ink the three sizes of poinsettia blossoms with Versamark ink and stamp onto Fresh Freesia Shimmer Vellum. Heat emboss with White Stampin' Emboss powder. Die cut out with the Poinsettia dies. Layer using dimensionals, and add to the card base with dimensionals. Accent the middle with a Beaded Pearl embellishment (retired) or three large pearls.
5. Ink the leaf images with Versamark ink and stamp onto Soft Succulent Shimmer Vellum. Heat emboss with White Stampin' Emboss powder. Die cut out using the coordinating die. Create one large leaf and two small leaves. Slip in under the poinsettia, adhering with glue dots or adhesive of your choice.
6. Using the Poinsettia dies, die cut two "berry stems" from silver foil. Adhere under the poinsettia as shown.
7. Ink the sentiment with Evening Evergreen ink. Die cut out using the small Stitched So Sweetly die. Trim off the edges at the point of the stitching. Using the same die, cut a second die cut from Evening Evergreen Shimmer Vellum. Adhere the sentiment panel to the Evening Evergreen piece. Add to the card base using dimensionals.
