2. Adhere the floral designer series paper onto Starry Sky cardstock and add to the card base, 1/4" from the right edge, and 3/8" from the top.
3. Emboss the Basic White cardstock strip using the Fern embossing folder. Create a "V" in the end. Create a "V" in the end of the Starry Sky strip. Adhere the Basic White onto the Starry Sky one, and add to the card base. Place it 1/2" from the left edge.
4. Create a 2-1/2" circle using the retired Stitched Shapes die, or any die or punch of your choice that creates a circle of this size. Emboss with the Fern embossing folder. Use glue dots to adhere to the card base in the position shown.
5. Use the Forever Flourishing dies to create a fern from Blushing Bride Brushstroke paper and one from Starry Sky cardstock. Adhere the Starry Sky fern die cut on top of the banner, then adhere the Blushing Bride die cut on top of the Starry Sky one, overlapping slightly.
6. Ink the sentiment in Starry Sky, and stamp onto Basic White cardstock. Die cut out using the smaller Stitched Rectangle die. Adhere to the card base with dimensionals.
7. Accent the circle with blue rhinestones.
