2. Mat the leafy pattern designer paper to Basic White cardstock and add to the card base.
3. Using one of the circle dies from the Stylish Shapes collection, die cut the moon from Crushed Curry designer paper. Use the Scary Silhouettes dies to die cut the house from Basic Black cardstock. Position the house over the moon. Adhere to the card base in the position shown. Mine is approximately 1-1/4" from the top of the card and 1-1/2" from the left side of the card.
4. Use the Window dies to construct the window from Basic Black and Gray Granite cardstocks, using vellum for the glass. Adhere to the card base using adhesive strips, positioning it so the house and moon are visible through the window.
5. Fussy cut out a selection of gourds, leaves and a pumpkin from the designer series paper. Adhere to the window as shown. Accent the neck of the large gourd with a linen thread bow.
6. Ink the sentiment in Tuxedo Black Memento ink. Be sure to mask off the word "you". (I use clear tape to cover the word on the stamp, ink it up on the ink pad, and then remove the tape prior to stamping.) Stamp onto Basic White cardstock, and die cut out with the Stylish Shapes die. Accent with Champagne rhinestones.
